

BYLAW NO. 6/14

A BYLAW OF THE RESORT VILLAGE OF SHIELDS TO FIX THE RATES TO BE CHARGED FOR THE USE AND CONSUMPTION OF WATER AND TO FIX THE RATES TO BE CHARGED BY WAY OF RENT OR SERVICE CHARGE FOR THE USE OF SEWER

COUNCIL of the Resort Village of Shields, in the Province of Saskatchewan, enacts as follows:

1. The charges to be paid by the water consumer whose water service has been turned on shall be those set out in Schedule "A" attached; provided, however, that the minimum shall be payable in every case whether or not any water is consumed.
2. Persons who own or occupy premises drained or that are by bylaw required to be drained into the sewer shall pay for such services a rental rate or service charge in accordance with Schedule "B" attached. Persons who own or occupy premises drained or that are by bylaw required to be drained into holding tanks shall pay a fee for access to the truck dump facility/lagoon site in accordance with Schedule "B" attached.
3. Accounts for water service and/or sewer service (the service) shall cover a period of three (3) months, and shall be rendered on or about the first day of the month next following such period. Water meters will be read every three months (April 30, July 31, October 31 and December 31) . Accounts shall be paid within a period of thirty days from the date on which such accounts are rendered. If an account is not paid within the period of sixty days, the service may be cut off. When the service is cut off, it shall not be turned on until all arrears have been paid, together with a fee of \$50 to cover the expenses of turning off the service and turning it on again; provided that if it is required to turn on the service outside the employees' regular working hours, the fee shall be \$100.
4. In the event of a meter malfunction, where consumption is not ascertainable, consumption shall be estimated on a sampling of consumption of like properties within the municipality. When a two year history is available, that history shall be used to estimate consumption.
5. Every customer charged for sewer shall pay a sewer infrastructure fee in the amount of \$200 per year, or part thereof. The infrastructure fee shall be invoiced in November of each year.
6. A penalty of 2% per month, compounded will be added to all water and sewer accounts outstanding after 30 days.
7. Bylaws Nos. **1/12 and 7/12 and 8/12** are repealed.

THE rates, charges, tolls or rents contained in this bylaw shall come into force and take effect on the day of approval being issued by the Local Government Committee.
