

# Resort Village of Shields Newsletter

August 2010

## DO YOU RECOGNIZE THESE ITEMS??????

The above abandoned items have been on the lakeshore for too long.

Newsletters have mentioned that they will be removed – if you know who owns them, please let us know. If not, this will serve as final notice to remove by August 16, 2010.

Section 406 of *The Municipalities Act* states that unclaimed personal property becomes the property of the Municipality after 90 days. It appears that these items have been located on public reserve lands for at least 90 days. Unclaimed personal property may be disposed of in any manner that the Council directs.

These items are only but a few that we bring to your attention now. Council is attempting to clear our green spaces for all to enjoy. We appreciate your assistance with our effort.

**A Note about Circulation of Information:**

It is becoming more and more apparent that there is information that Council and/or our committees and organizations would like to share with our residents between newsletters. The cost to send out a 1 page notice is not practical. This mailing has been sent to 102 property owners who have not provided an email address to the administrator. In the future, there will be events that will be published via our new sign board, our website, or through email. If you wish to be added to our email list, please forward a request to [shields@xplornet.ca](mailto:shields@xplornet.ca). We realize that there are property owners who do not have email access and will continue to forward our periodic newsletters to you via regular mail.

**PLEASE NOTE** - The RM grader will be out next week to deal with our roads. Please ensure that **ALL OBSTRUCTIONS** are removed from the village roadways. **THANK YOU!**
