SHIELDS NEWS - Christmas Edition

MAYOR'S MESSAGE:

As I reflect on the past year, I am grateful to be part of this community and look forward to 2022 with enthusiasm and optimism. As I reflect upon the village's accomplishments over my first 16 months as your Mayor, I would like to thank some remarkable people including: Village staff, volunteers and Council members who have served with me over the past months. You are making a positive and lasting contribution to the village and I feel fortunate to be serving with such a caring and

dedicated group of people. Thank you for your contribution of time and talents and for taking care of our community. The year 2022 may bring more challenges; however, be assured your council will continue to act in the best interest of the residents of Shields.

May the spirit of this wonderful season be with you and your loved ones now and throughout the holiday season. On behalf of Dave and myself, we wish all a Very Merry Christmas and all the best in the New Year!

Season's Greetings to everyone at Shields from Norman and the family and I. Shields is a very diverse community and all of us celebrate or observe the holiday(s) in our own way. Our family always celebrates Christmas Eve and New Years' as is part of our culture. The past couple of years of Covid-19 have made gatherings challenging for families and communities, but we have made it work. I personally look forward to seeing loved ones whether in person or virtually for this season. We are blessed beyond belief and we pray for others in need. I remind everyone that there are community groups that help those in need. If you are in need or have extra, please contact them! With regard to the upcoming new year, I am cautiously optimistic that we will be able to hold community gatherings and utilize technology to communicate as efficiently as possible to residents. I offer my most sincere and profuse THANK YOU to all of the volunteers in the community, with a special shout-out to the EMO team I have the pleasure of working with as well as the communications experts that I consult with as needed. Without volunteerism, the vast majority of community projects would not be possible and our volunteers are very much appreciated!

Wishing you a a merry Christmas and the best of the holiday season...

I would like to thank our maintenance staff, Fred and Kaija for the great work this year. Especially dealing with some of the emergencies that "just" happen at the weirdest times. also thanks to the seasonal workers Ken, Brian and Kohl. Great job Jessica. From my wife Linda and myself, MERRY CHRISTMAS and all the best in 2022. Please be safe this holiday season. All the best.

-Noel Tomlenovich

We want to wish every resident and community member a very Merry Christmas and a Happy Holiday season!

- Jess, Fred & Kaija

Seasonal Reminders

- Please ensure your finances are in good standing at the village office. All outstanding utility bills are added to your tax roll at the end of the year, and continue to accumulate interest. If you would like to find out your account balances please email admin@shields.ca
- The maintenance staff work very hard to ensure that snow removal happens in a timely manner, but your patience is always appreciated. Please remember that you cannot shovel snow from your driveway into the roadways, it must be piled off to the sides of the road.
- The new winter lake access has been created and keys are now available for a refundable deposit of \$100. If you are interested reach out to the admin office for a registration for or more information.

Christmas Events

Thank you to everyone who is participating in our different Christmas events. The kids Christmas party was a great success and we are grateful for everyone who could make it out!

For those who have already started decorating wooden posts, they look awesome! If you have more submissions of decorated posts, please send pictures to admin@shields.ca

The Christmas window displays are still taking place. Check each of them out as they are 'unwrapped'
