

SHIELDS INTER-GENERATION PARK - MAY 24, 2011

The Resort Village of Shields respectfully asks for your assistance to help build a playground surrounded by a walking path with adult fitness circuit stations. Our community is in desperate need of a new, safe, challenging playground that will lay the foundation for the physical and mental development of our children and encourage adult well-being.

The Inter-Generational design will play an important role in citizens' healthy lifestyle and supports a sense of community. The Shields concept will provide recreation to promote development of healthy bodies and community spirit.

Several opportunities to assist this effort are available:

Platinum Sponsor \$40,000

- Be a Premier sponsor of this exciting endeavor! Your name will be recognized as a Platinum Sponsor and **prominently displayed** at the playground.
- Naming rights to park component – Commemoration opportunity for valued employee or company milestone
Example: '_____ Walking Path' or '_____ Point at Generations Park'
- Opportunity to be recognized, participate in grand opening celebration, press releases and photo opportunities.
- Brand / Name acknowledged on signage and prominent website acknowledgement www.shields.ca

Gold Sponsor \$10,000

The Playground committee held a Town-Hall meeting in April to allow residents opportunity to find out about the proposed new playground and walking path with adult fitness stations. Information was shared, requirements gathered, sponsorship discussed and volunteers identified. Sub-committees were formed to start scoping options and make recommendation for the equipment, base/walking path material, fitness stations, benches/picnic tables and signage.

Corporate sponsorship solicitation will continue throughout the summer. (Let us know if you know of anyone or companies who are looking for tax-deductible Corporate Social Responsibility opportunity.)

The supervised build is tentatively planned Thanksgiving Weekend if funding is in place. We'll know more in the next few months and will be happy to provide another update when more is known.
