Day One Lunch for 50 Volunteers

Picnic Shelter Build

24 . 09 . 2011

Sod Removal & Relocation for path

24 . 09 . 2011

Sept 25 note from Nick in England: *(bench sponsor)*

It's all so lovely a legacy that has to be around for as long as possible.

I can't help feeling sad but must try to feel happiness for all the smiles the park will bring to children and people young and old that never met Aden but will say his name and think of good things, that's a great thought.

God bless
