

SHIELDS INTERGENERATION PARK UPDATE JUNE 2012

Many thanks to everyone who supported, volunteered and nourished park activity to date. A major chunk of the work is complete (including a colourful new playground and ½km walking path). Remaining activity will be finished in 2012.

The [Shields website](#) has time-lapse photos of the playground build. So fun!

We're thankful for our funding sponsors More than 100 Platinum Sponsor donations have come in from all across Canada, USA, Singapore and England to support naming rights for Aden's Playground.

Karen Holowka and Nick Holcroft provided Bench Sponsorship in tribute to Aden.

Dakota Dunes Community Development Corporation is a Gold Sponsor for the playground sand and border. Associated Engineering and Friends of the Park provided their support with funds and services.

New June 7, 2012; Community Initiatives Fund Community Vitality Program has approved \$3,000 towards the purchase of the outdoor fitness equipment.

With the \$3,000 grant the committee has \$10,681.93 remaining.

Three adult fitness stations	\$7,800
Sponsor acknowledgement sign	\$1,000
Sod cutting and path fixing	\$600
Miscellaneous	<u>\$1,200</u>
Estimated Expense Total for 2012	\$10,600

Committee members were away in the spring so planning will ramp up over summer with a work-bee scheduled late August or early September according to availability. (Communication pending)

Playground Committee activity to be completed in 2012 with support from the Parks, Recreation and Culture Board, Village Council and residents:

- 1. Signage**
- 2. Three Adult Fitness Stations**
- 3. Landscaping**
- 4. Fixing path where needed (grass overgrowing path on west side)**
- 5. Shelter / Picnic Tables**

The Community Initiatives Fund Community Vitality Program Funding Agreement will need to be signed by Council or designate ASAP to receive the \$2,400 working capital (80%).

Respectfully submitted,

Ruth Glatt, Project Mgr Intergeneration Park Playground Committee
