

Multi-Sport Court Community Update June 2020

Multi-Sport Court Kick-off June 1, 2020

The Multi Sport Court project was kicked off on June 1st with the sod turning at Friendship Fields by Shields' Council and Sport Court Committee members. Thanks goes out to Nutrien and Dakota Dunes Community Development Corporation for their grants in support of this sport court project which will be a great asset to Shields.

The sod turning kicked off Phase 1 of the project which includes all work to install the sport court asphalt pad. During Phase 2 the power, lighting, fencing, equipment installation, and housing will be completed.

The target end date for the project is late September 2020!

If you wish to support this initiative, donations are still being accepted for Phase 2 of the project (a tax-deductible receipt will be provided).
