

Village COVID-19

Updates & Information

- April 6, 2020:** The Saskatchewan Public Safety Agency is encouraging people to download the [SaskAlert App](#) so they can receive critical COVID-19 information in a timely manner. The app also allows people to choose how and when to hear the emergency alerts. *They note "The more people that have the app, the more efficient we can be with targeting people in a specific area, including your jurisdiction, that might require emergency information."*
- March 29, 2020:** Joint Message from Shields & Thode Council
- March 25, 2020:** Aden's Park playground structures and work stations are closed until further notice as mandated by the Provincial Government. This action was necessary because the shared surfaces people touch, especially playground equipment should not be used right now for the health and safety of our children and families.
- The Community Centre and public washrooms will remain closed until further notice. When COVID-19 restrictions regarding distancing and gathering limits are relaxed, the Village will review all closures of our public facilities.
- March 24, 2020:** The Village Office is closed to public access until further notice. Utility payments can be made by mail, drop off box or by electronic transfer. If dropping off, please call the office first. Do not put cash in the mail box.
- March 24, 2020:** Provincial COVID-19 info as of March 20, 2020 - All travellers returning from international destinations including the United States – are subject to a mandatory self-isolation order of 14 days.
- Check out the [Saskatchewan Healthy Authority](#) website for relevant articles and information such as coping while in self-isolation.*
- March 18, 2020:** The Government of Saskatchewan declared a provincial State of Emergency.
- March 16, 2020:** Government of Saskatchewan website provides COVID-19 [Self Assessment](#) Tool that you can go through to determine if you should be tested.
- March 14, 2020:** EMO shares information about prevention, symptoms, risks, self-quarantine and where to obtain further information on the COVID-19 pandemic declared by the World Health Organization.

We wish to keep you up to date on the rapidly changing coronavirus COVID-19 event and precautions and closures within our Village. Please use the [Provincial](#) and [Federal Government](#) websites to obtain up to date, reliable and factual information about COVID-19 requirements in Saskatchewan and Canada.
