

This year, the Government of Canada is celebrating Canada Day in a whole new way to bring us together virtually and share our pride in being Canadian.

On July 1, take part in the virtual Canada Day celebrations in different ways:

- The [Canada Day Celebration Kit](#) offers more than 40 interactive, creative and educational activities for the whole family. Have fun exploring each activity pack and share your experience using **#CanadaDay**.
- Enjoy virtual celebrations happening across the country on July 1st. [Select a region](#) to find what cities from coast to coast to coast have to offer.
- Share your Canadian pride online! [Download free Canada Day visuals](#) and enhance your presence on social media and digital platforms.
- On July 1st, watch the [Canada Day Daytime Show](#) and the [Canada Day Evening Show](#) to discover great Canadian artists and be entertained in the comfort of your own home.
