

SHIELDS MULTI-SPORT COURT JULY 2020 UPDATE

Construction has begun! The asphalt pad was installed this past week (July 17th) and is now curing and waiting to be sealed. Next is Phase II of the construction which will include installation of the fence, power, lighting, nets and line painting. The target date for completion is early fall but it all depends on the availability of suppliers and challenges with Covid restrictions.

Fundraising and donations for the \$90,000 project have been very successful to date and the Committee is pleased to report:

| | |
|---------------------------------------|-----------------|
| Cash Donations: | \$ 6,820 |
| Grants: | 10,000 |
| Fundraising: | 36,176 |
| In-kind Donations: | 7,000 |
| Village Recreational Reserve (Up to): | 30,000 |
| Total: | \$89,996 |

We are still accepting **tax-deductible donations** for the sports court that will help to cover any cost overruns, additional costs for parking area, possible enhancements to the storage shed, ongoing maintenance costs and a reduced draw from recreational reserve funds. The Committee has established various levels of individual and corporate sponsorships. Residents may be interested in the *Friend of the Court* sponsorship level:

\$500 – Friend

- Your name or commemoration of a loved one recognized on signage
- Participate in grand opening celebration
- Listed as Friend on Shields website shields.ca

Thanks to the Committee and everyone that has helped to get us to this point in the project!!!
