

Highlights, January 21 , 2026 - Council Meeting - Submitted Jan 28, 2026
(Full minutes will be approved at the February 25, 2026, Council Meeting)

Administration

- Sask Alerts is Saskatchewan's emergency alert program that shares real-time information with the public.
Council agreed that the Resort Village of Shields subscribes to have both CAO and Operations Manager trained and certified to send out Sask Alerts for the Shields Area.
- Year-end documents have been processed. The Audit will take place on February 10th.
- Looking at paying employees online, rather than cheque. Savings will be recognized with the savings in printing cheques and the cheques and staff can be paid on a consistent schedule.
- There have been a few complaints regarding slippery roads. Operations are regularly sanding at hills and stop signs.
- Council agreed to post the RFP for the HUB concession to be posted on January 30th, 2026 with a deadline of March 30th.

Maintenance/Operations

- We started the month working with Mcgills to finish flushing the line. We had our first snowstorm that made access to each of these lines very challenging.
- The lift station panel heaters have needed attention. We monitored proper function during cold weather and replaced heaters that were not working.
- Equipment repairs and maintenance: The sander has been needing some work as we have been having issues with the motor for the spinner that broadcasts sand, Changed over the tires and cabin filters on the skid steer, the Dodge needed service work for suggested maintenance for warranty purpose, took the Dodge in for chip glass repair repaired the plow truck and the gates on the dump trailer needed welding
- We had some large snow falls, small snow falls, and drifting roads to clear. (12,14,18,19,20,27) I came back from holidays twice and started clearing snow through the night.
- Road edge markers and hazard markers were put up for snow clearing.
- Quarterly meter reads were a challenge and many places were inaccessible due to the high volume of snow and drifts.
- Performed Year end HR tasks, asset management and fuel costs breakdown specific to area used.
- I took in a webinar relating to sewer. This webinar discussed dealing with H2S gas, sludge, and fat build up. I will work on benefits specific to our unique sewer systems.
- We worked with Subterra for a final yard clean up and removal of equipment and portable building. A final meeting with A.E. and the project team was held.

Financial

- Council had a zoom meeting with Greg from Royal Bank to discuss the village banks Bank Accounts and banking options. Council agreed they were overall happy with the banking services of the Royal Bank.
- Council agreed to account payable of \$137,008.99 which includes payroll.
- Council will be having their annual budget meeting on March 12th.

Council Reports:

Water Utility and Wastewater Utility Rates

Utility Rate Increases

Council agreed that bylaw #1/26, being a bylaw of water and sanitary sewer utility rates and fees for the Resort Village of Shields, be read for a first time.

This bylaw proposed a fee increase as per below to cover the utility board increase in fees and increased operating costs.

Garbage Rate Increases

Council agreed that Bylaw #2/26, being a bylaw to fix rates to be charged for the collection and disposal of wastes or refuse, and to provide for transferring of any unpaid accounts to the tax roll, be read for the first time. The increased rate as per below is reflective of the increase by Loraas Disposal, our service provider.
